GREAT BRITAIN – QUEEN VICTORIA 2d BLUE LINE-ENGRAVED ISSUES (c.1858–1870s)

A small group of five used examples, all with corner letters and plate-number format, comprising mixed plates. Each bearing numeral or barred cancellations, including one with heavier obliteration and others with partial strikes. Shades predominantly pale to mid blue

NATAL – 1877–79 Queen Victoria issues, comprising ½d on 1d rose surcharge ("HALF"), 1d rose, and ½d green. The surcharge type showing "HALF" in black on 1d rose, alongside a normal 1d rose and ½d green. All used with typical cancellations. Condition variable, the surcharge with some wear and the others with minor faults as usual for the issue.

A useful trio illustrating the provisional surcharge and contemporary low values of Natal.

Estimate: 20.00 - 40.00

Fees: Free Registration: 1 to 999: 22.61%/1000+: 15.47% inc VAT* , Flat Fee Registration: 1 to 999: 19.04%/1000+: 11.90% inc VAT*

Lot 149

Great Britain – 1841 1d Red Brown (Penny Red), lettered J–C, cancelled by a well-struck No. 8 black Maltese Cross. Good to ample margins, showing portions of adjoining stamps at left and right; colour fresh and impression clear. The distinctive Maltese Cross cancellation is bold and prominent, with the characteristic heavy, slightly smudged appearance associated with this numbered variety.

A scarce and visually appealing example of this experimental cancellation, used during the transition from Maltese Crosses to numeral obliterations.

An attractive and desirable piece
